Dear Mr. Meredith:

This is just a congratulatory note on your recent enrollment in the University of Mississippi. You are to be commended for your initiative, courage, perseverance and all that was required during the tremendous opposition. You have indeed made your footprints on the sands of time.

I also want to take this opportunity to mention a recent TV program in which your father was interviewed. He stated that he did not know too much about what was going on because he did not get any newspapers. I would like to send your father some of the numerous clippings I have saved from the Washington Post and Evening Star if you will forward me his address, unless you would prefer I send them to you and you can forward them to him.

You have my very best wishes for much success in all your endeavors and especially so while you are at the University.

Very truly yours,

*Betty C. Carter*

(Mrs.) Betty C. Carter
